

# WARRANTY CARD

1. SPEED-UP S.C. guarantees the correct operation of the breathalyzer for 12 months from the date of sale, provided that it is used in accordance with its intended use and according to the detailed rules set out in the instruction manual.
2. Warranty responsibility includes free repair during the warranty period except as specified in the operating instructions below.
3. If the breathalyzer is inoperative or requires repair, contact an authorized service center (see overleaf).
4. Detailed instructions on how to proceed with a claim are on the reverse side.
5. The warranty does not cover wearable components and decalibration of the device (see instructions).
6. The warranty does not cover defects:
  - a) caused by improper operation, or use of the breathalyzer contrary to its intended use
  - b) caused by unauthorized modification of the product, or caused by repairs and service activities performed by unauthorized persons
  - c) mechanical damage
  - d) resulting from improper storage, transportation or use in conditions that hinder proper operation
7. The warranty will not be recognized if you do not provide proof of purchase of the device.
8. Returning the device that does not meet the terms of the warranty may require the Customer to pay the transportation costs.
9. An incomplete Warranty Card will be completed by the service technician during the first service of the device.
10. All rights under the warranty are executed in Poland in the offices of SPEED-UP S.C. and include repair of the device or replacement with a new one.
11. This warranty does not exclude, limit or suspend the purchaser's rights under the statutory warranty for defects in sold goods.
